**Instructions to Complete  
Utah WIC  
Formula and Food Authorization Form  
Infants up to 12 Months of Age**

- Step A:** Complete patient information.
- Step B:** Indicate all medical diagnoses that apply to patient. If diagnosis is not listed, please write in the ICD 10 Medical Diagnosis that applies.
- Step C:** Formula/Product  
**NOTE:** Please see list of WIC contract formulas that do not require this authorization for infants < 12 months.
- List name and brand of formula required.  
**Authorization should be based on medical need and not patient preference.**
  - Specify if the requested formula is powder, concentrated liquid, or ready to feed.
  - Indicate quantity of authorized food or formula needed per day. Please give specific amount needed - no ranges can be accepted.
- NOTE: Breastfeeding mothers may request less than full formula feeding mothers.
- Step D:** Please indicate if WIC Complementary Foods are allowed or if there are any restrictions. For infants, foods are given at ≥ 6 months of age. **Infant meats are only available for fully breastfeeding infants.** (Full provision of WIC food packages are listed below.)
- Step E:** Specify the length of time this formula and food authorization will be valid.  
 \*\*Pharmacy-ordered premature formulas must be requested monthly.
- Step F:** Health Care Provider Information must be signed by a Utah state licensed prescriptive authority.

## Utah WIC Rebate Formulas

**Issuing the following contract formula doesn't require the use of this form and will be more cost effective allowing the Utah WIC Program to serve more participants**

Similac Advance

Similac Soy Isomil

**The following formulas must be ordered by the health care provider, using this form, and will still result in a rebate**

Similac Sensitive

Similac for Spit Up

Similac Total Comfort

## Full Provision of WIC Formula and Food\*

### Infants

**0-3 months of age:**

- 28/29 oz formula/day

**4-5 months of age:**

- 30/32 oz formula/day

**6-11 months of age:**

- 22/23 oz formula/day,
- 24 oz infant cereal/month,
- 32 jars (4 oz. size) of infant food fruits/vegetables/month

**9-11 months of age:**

- may get fresh fruits and vegetables to replace some jarred infant food

\*Amounts based off of 30/31 day months
